

ROCK VALLEY COMMUNITY SCHOOLS

Educating Today's Student for Tomorrow

Rock Valley Livestream for Athletic Events

Livestreaming for Volleyball, Basketball, Wrestling and Football will be through the National Federation High School Network (NFHS) in the high school gym and at the football field.

The livestream service requires a subscription. Other Siouxland Conference schools with the NFHS Network include: MOC/FV, West Lyon and Okoboji. You will be able to watch our games on the NFHS network when we play at their site.

Subscription options.

- a. Annual Pass - \$69.99/year (renew annually, not school year)
- b. Monthly Pass - \$10.99/month

All passes include:

- Full access to live regular season and post season sporting events
- Immediate access to events when they are available
- Support for participating school's programs

Watch from the following platforms:

- IOS
- Android
- Any Browser
- tvOS
- Roku
- Fire TV

To create an account:

- Go to www.nfhsnetwork.com
- Create the account
- If you select annual account, it renews on the date you first subscribed. The subscription is not for a particular school year.
- You will get 1 account per person. It is not a sharable account meaning only 1 device will be able to log in at a time. For example, if a parent and a grandparent want to watch from two different locations, it will take two separate accounts.

How to watch:

- Go to www.nfhsnetwork.com
- Type Rock Valley, Iowa in the search bar at the top of the screen
- Click on the event you want to watch

*We will also be able to stream non-athletic events that take place in the High School gym. Those events are free.

Great Christmas present for grandparents and other family members!
